ABOUT ME

My name is Wyatt Contreras, Multimedia Producer

I work with multimedia material such as: video editing, images, illustrations, beginning with 2D animation, (from vectors and drawings), audio editing

I have basic knowledge in html and css, like this as well as Digital Marketing, design of Flyers for advertising, I am organized with my work and my time, I really like to learn new languages, at the moment english and swedish, motivated to learn every day, to improve my profile.

With this letter I hope I have caught your attention, send me an email if you are interested in my work.

Best Regrats.
